- 100% natural wool, 1.25," 4-ply twisted fibers for faster cutting
- Effective removal of sanding marks & severe defects
- Quick change hook & loop attachment system
- For use with rotary buffer and WRBP or WRSBP backing plates

DIRECTIONS FOR BETTER PERFORMANCE

- ❶ Center the pad on the backing plate.
- ❷ Keep the buffing pad flat to the surface to minimize swirl marks.
- ❸ Clean wool pads frequently using a wool pad cleaning spur, or compressed air using regulatory approved air nozzle.
- ❹ To prevent contamination, store pads in re-sealable bag when not in use.

Contains 1 each - 8"/203mm pad
